The TISF is a science research competition for high school students from grades nine through twelve. With the mission of identifying and nurturing talented young scientists, TISF 2025 brings together 629 domestic and overseas participants and 234 projects from 29 nations/regions to compete for awards. The National Taiwan Science Education Center (NTSEC) is very proud to organize such a prestigious event. Held from January 20 to January 25, 2025, participating students are divided into domestic and international groups.
